In the name of Allah, the Most Gracious, the Most Merciful

It is a pleasure for us in Osoul Center to present to our dear readers this simple booklet in the form of tweets, showing the most beautiful and important aspects of Islam, the religion of monotheism. Monotheism was the message to which all messengers and prophets called, such as: Abraham, Moses, Jesus, Noah, Muhammad, and others (peace be upon them all). We hope that the message of this booklet would reach deep in your soul and heart to recognize the reality and essence of this great and beautiful religion.

What is more logical: A belief in blind chance governing all, or a belief that the universe is the way it is because it is created & controlled by God?
